ORDER

The Court has received and reviewed Petitioner’s “Supplemental Pleading,” which was submitted pro se. (Docket Entry No. 20.)

The Court previously denied Petitioner’s motion to proceed pro se, (docket entry no. 14), as well as Petitioner’s motion for reconsideration of that order. (Docket Entry No. 19.) The Court has appointed counsel in this case, in part to address the issue of whether this case may proceed without appointment of a guardian, and defense counsel’s status report is due May 15, 2020. (Docket Entry No. 14.)

Defense counsel is hereby directed to review Petitioner’s “Supplemental Pleading,” (docket entry no. 20), confer with Petitioner, and incorporate an appropriate discussion of how the Court should treat that supplemental pleading into the May 15, 2020, status report.

SO ORDERED.
